Where do I put, what it means to be Zulu?
n.b. used by Clack

What about this ~ change is always there -
it is colonialism ~ TS is cautious -

ultimately contradictory - seceders are radical -

1875 - Swedes win - and he de facto

continues - TS tries to show it down - by

exploiting the Zulu situation - & he

brings the whole lot down. i.o.w.

such come to 1906.
